square in Telč

# TELČ

The town of Telč is situated in the Czech-Moravian Highlands, in a beautiful woodland area with greenfields and fish ponds. Near there is Javořice, the highest point of the highlands with its 837 m above sea level. The historical core of Telč with the famous square is surrounded by three ponds - Staroměstský, Ulický a Štěpnický - that protected the town in the past like a moat. The amazing surroundings of Telč are perfect for sports and relaxation all the year round.

## History of the school

Otokar Brezina gymnázium in Telc is the oldest Czech secondary school in the south-west of Moravia. It was founded in 1852. A great number of its former students became famous in various fields both home and abroad. The school is named after the Czech poet Otokar Brezina, who was studying here since 1883 till 1887.

## Our school

The full name of school is Otokar Brezina High school and Vocational school in Telc. The school is located in two school buildings. In the building of High school there are 21 classrooms. They are specialized in different school subjects and well equipped for teaching them. We also have a studio, a sportshall, a gymnasium and a muscle-conditioning gym.

To enter the High school, the candidates sit written tests. Thirty of them are enrolled into both young and high forms.

## Programme of studies

There is an eight year programme of studies (after the fifth class of basic school) or a four year programme (after the ninth class of basic school). Studies are of general character, registration number 79-02-500. The school offers a good general education with partial specialization in high forms.

## Options

- two out of three foreign languages (English, German, French)
- music or arts
- one elective subject in the 2nd form (informatics, administrative work)
- two out of ten other optional subjects in the 3rd form (Latin/descriptive geometry, seminars - mathematics/physics, chemistry/biology, civics/geography, history/arts)
- the third optional subject in the 4th form (conversation lessons in a foreign language)
